What Is College Application Month?
Delaware College Application Month (CAM) is a statewide effort with the goal of providing every graduating high school senior the opportunity to apply to college. This program is sponsored by the Delaware Department of Education in partnership with the Institute for Public Administration at the University of Delaware. Volunteers are critical to the program’s success.

CAM 2019
In 2018, all district and charter high schools in Delaware participated in College Application Month. This year, CAM is scheduled from October 14 through November 22, 2019. Each school selects a week to hold their College Application Week (CAW) event.

How Can Volunteers Help?
You don’t need to be an expert on the college application process to make a significant contribution during CAM; you just need to have a desire to assist and encourage students as they take this first and important step toward continuing their education beyond high school. Common tasks for volunteers include greeting and signing-in students, as well as assisting students with the completion of online college applications.

How Do You Sign Up?
Click on the SignUp link below or visit DelawareStudentSuccess.org to sign up for sessions that fit your schedule. Most slots are one to two hours long. If possible, we encourage volunteers to consider signing up for consecutive or multiple shifts. Reach out to your co-workers and friends to see if they want to sign up for a volunteer shift with you.

Is Training Available?
Yes, and it is required before volunteering in a school! Prior to your school’s College Application Week, you will receive a Volunteer Guide and a school-specific Volunteer Reference Guide. You can access these documents at DelawareStudentSuccess.org.

How Have Students Prepared for their School’s College Application Week?
Schools have been working with students to complete a Student Checklist to help them research colleges and determine which best fit their needs. The Student Checklist also helps students familiarize themselves with some of the most common information asked on applications prior to their school’s event.

Why Volunteer?
Volunteers are critical to the success of Delaware College Application Month by providing one-on-one support that will have a positive impact on students. Volunteering during a school’s College Application Week is a great way to support students in advancing their future. We hope that you will join us in this meaningful volunteer experience. Thank you for helping to make college dreams come true!
