

## Quick Start Guide: Texas OnCourse Academy:

<https://delawarestudentsuccess.org/texas-uncourse/>

- Create an account with Texas OnCourse Academy: <https://texasoncourse.org/>
- If you want clock hours:
  - **Register in PDMS Course: # 30494**
  - Completion of a module is required in order to be awarded a clock hour. You can receive one clock hour for one completed module (you don't have to complete all of the modules to receive clock hours – modules listed below)
    - Each module begins with a pre-assessment questionnaire to see what knowledge you already have on the topic, then you go through the training, and there's a post-assessment. You must complete these steps in order for the module to be considered complete.
- Choose the modules you want to do and get started! Or, if you just need information on a specific topic, use the search bar at the top of the page, once logged in.

**Modules for Delaware School Counselors - PDMS Course: #30494 (you only need to register in PDMS if you want clock hours)**

**Note: you may see other modules in the training – they contain Texas info and would not be relevant for DE school counselors. You will only receive hours upon completion of modules listed below.**

(Green indicates appropriate for middle school counselors as well as high school counselors)
