

COMMON APPLICATION

Common App is currently used by over 1,000 higher education institutions across the U.S.

Common App requires demographic, academic, and extracurricular information. There is also a section for an essay.

COMMON BLACK APPLICATION

The Common Black Application can be used to apply to 65 HBCUs across the U.S.

For information on instructions and fees, click [here](#) to learn more about the 2023-2024 applications.

COALITION APPLICATION

The Coalition Application simplifies the college admission process for underrepresented or marginalized scholars.

To see all Coalition partners, click [here](#). If your college or university is on the list, apply today.
