FAFSA Completion Assistance

Now is the time to complete your Free Application for Federal Student Aid (FAFSA)! It is the beginning of your journey to paying for college, trade or professional school. It helps your school to determine your level of need-based grants and other aid. The State of Delaware's scholarship programs, including SEED and Inspire, require it too!

Point your camera to the QR code to access the **Stand By Me-NexGen FAFSA appointment site.**
